

SOUTHERN NEWFOUNDLAND CLUB "BETTER BREEDERS SCHEME"

PUPPY OWNER FEEDBACK FORM

Your name (optional)

Contact details (optional)

(Occasionally we may contact puppy owners for further information or to ask suggestions on how we can approve the scheme).

Name of breeder

Date of Birth of Puppy Sex Colour

Is this the first Newfoundland you have owned? Yes/No Date of Purchase

How did you find the breeder of your puppy?

When did you first visit the breeder of your puppy and how many visits did you make in total before you collected your puppy? (Please indicate if you met prior to the puppy being born)

How old was your puppy when you first saw him/her?

Did you have the opportunity to see and interact with the mother of your puppy?

Did you see any other Newfoundlands on your visit(s)?

In your opinion were the puppies kept in a clean environment?

Did you see any other breed of dogs or puppies on your visit(s)?

Please include any additional information regarding the conditions your puppy was reared in:

.....
.....
.....
.....

Did the breeder arrange to do a home check or use any other mechanism to enable them to make decision with regards to your suitability to obtain a puppy from them? (Please provide details)

.....
.....
.....

Which of the following did you receive in relation to your puppy?

Information/Documents/Materials	Please indicate Yes or No and add comments where appropriate
Contract of Sale to be signed at the time of sale?	
Did the breeder take the time to go through the detail of the contract thoroughly with you so that you could make an informed choice to sign the declaration that you had read and understood all of the requirements contained within the contract?	
Did you receive the Kennel Club Registration papers for your puppy at the time of purchase? (If no, please answer the next question)	
If you did NOT receive your puppy's Kennel Club Registration papers at the time of purchase, did you receive written documentation explaining why it was not available and when you would receive it?	
Copies of health test result certificates of your puppy's Sire and Dam?	
A copy of the Estimated Breeding Values for the puppy and or Sire/Dam? (Estimated Breeding Values communicate the genetic risk of hip/elbow score for individual dogs in reference to the entire breed. They can be compared to determine which breeding animals have a higher or lower genetic risk, a risk which will be inherited by their offspring/progeny)	
A pedigree detailing a minimum of three generations?	
Information regarding exercise/grooming/training/socialising/vaccination and insurance?	
Information regarding activities that you can participate in with your Newfoundland, for example Obedience, Showing, Water Work, Carting, etc.	
General information regarding the Dam including previous litters and health issues, etc.?	
Feeding Guide?	
Information regarding worming administered to date and advice regarding future worming regime?	
A membership application form for at least one of the three Newfoundland Clubs recognised by the UK Kennel Club as representative Breed Clubs	
A minimum of four weeks insurance valid at the point of sale for puppies that will remain resident in the UK?	
A minimum of one week's supply of puppy food?	
A stamped addressed envelope to enable you to return this form?
